

[illegible]

The image shows a large grid of graph paper. The grid is composed of 20 columns and 20 rows. The central portion of the grid, consisting of 10 columns and 4 rows, is defined by solid black lines. This central area is surrounded by a border of dashed black lines, which covers the remaining 10 columns and 16 rows of the grid. The dashed lines are spaced evenly, creating a standard graph paper pattern outside the solid-lined center.
